

The Old Arboretum is a dog-free area (except for assistance dogs). This is to provide for those visitors who would prefer to walk in an area without dogs.

We operate a 'dogs on lead' zone around all key visitor areas and facilities including the upper downs and car park areas.

Dogs are allowed 'off lead' as long as they are under close control in Silk Wood and the lower downs areas. You must not take your dog 'off lead' if you are not 100% sure that it will remain in sight and come back immediately to heel when called.

The Old Arboretum is a dog free area

The Downs is an on-lead area

Silk Wood is for off lead dogs to be under close control.
